

11th Annual  
**MusicStars**  
Online Music Competition 2022

**Registration Packet**

# Participation Guide

## Step 1

Select a piece to perform. Next, complete the top portion of the MusicStars Adjudication Sheet including personal information, information about the piece, address, and signature. By signing the consent form, you agree to the Terms of Service provided in this packet.

## Step 2

Email MakingMusicFun.net and attach the following items in one email:

- 1) MusicStars Adjudication Sheet
- 2) Fee Receipt
- 3) Sheet Music with Numbered Measures

Please use your printer scanner or an app like “Scanner Pro: PDF Scanner App” to scan your adjudication sheet, receipt, and music. This will provide us with clean, readable copies. No photos.

All three items are due no later than June 30th. Complete applications should be sent in one email.

## Step 3

Start practicing. When your piece is sounding great, make a video and upload it to YouTube.com or GodTube.com. The title and description of your video should be formatted as it appears in the illustration on the fifth page of this packet.

Each element must be included, as they will help us to correctly identify and adjudicate each student. If your child is performing a musical selection that you printed from the MMF website, please include the link to the sheet music. Other students may be inspired by your child’s performance and want to play the piece as well.

## Step 4

Email us the link to your video no later than July 20th, 2022. No video performances may be resubmitted. No videos will be accepted after midnight in your time zone.

Email: [info@makingmusicfun.net](mailto:info@makingmusicfun.net)

## Step 5

Check out the performances of the other participating students by visiting the MakingMusicFun.net website. Results will be announced in our newsletter following the close of the competition on August 1st, 2022.

**Please be sure you are subscribed.** Trophies and certificates will be shipped within 7-10 days of the announcement.
